Term 3 Week 2

Monday 30th July 2018

From the Principal's Desk

Welcome to our second week of the term. It is always a pleasure to walk through our playground and know that you are going to be greeted by a smiling face and a welcoming hello from our students. Last Friday we hosted the Broken Hill Principals meeting at Morgan Street, a big thank you to our School Captains, Kain and Ava for welcoming our visitors and showing them to the meeting.

Next week is the official Education Week, though every week is Education Week! The theme is "Today's schools - creating tomorrow's world." There is a lot of talk at the moment in the media about how our schools are preparing and equipping young people with the skills and capabilities they need to thrive in a rapidly changing world. It is a very interesting conversation topic because the world our students will enter is quite different to the one that we entered after finishing school. We have events planned which include an assembly next Thursday, Dance-A-Thon, Public Speaking and Broken Hill events such as the Choral Festival and Athletics Carnival.

Tonight will see the first P&C Meeting held for this term in the 3-6 staffroom commencing at 7pm. All people are welcome. Have a wonderful week of learning.

Thought for the Week: "Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism." **David M. Burns**

This weeks Friday Assembly will be led by KH at 2.20pm

PROUD NEWS

We have two students in Sydney this week competing in the NSWPSA State Netball Carnival. Montana Philpott and Poppy Whittaker are members of the Barrier team. We wish both girls all the best and no doubt they will do themselves, their families and their school proud!

KNOCK OUT BASKETBALL

Keeping with the sporting theme, our boys and girls basketball teams are off to Cobar on Thursday for the next round of the NSW PSSA State Knockout. Both teams will play against Gilgandra PS after winning the Broken Hill knockout. It will be a big day for the students as they will travel to Cobar and back on the day. Mr Bourke and Miss Moldenhauer will be accompanying the students.

Go Morgies!

STEM in 4F

Every Thursday 4F
participate in challenges that

aim to use different areas of learning to solve a problem. Last term we focused on building a way of transporting an egg without it cracking. We were able to use maths to time it, science in our design and make, writing with our procedures and speaking and listening to report back. This Term our focus is to create a movie detailing how our school can be more sustainable.

NOTES SENT HOME RECENTLY

If you did not receive any notes relevant to your child, please see the office staff.

Live Life Well @

School is a whole of school approach to get students 'more active, more often' and focus on healthy eating.

HEALTHY EATING

Our school is striving towards creating a healthy eating environment by:

- Providing students with opportunity to 'Crunch n Sip' during a fruit, vegetable and water break in class.
- Teaching students about healthy eating in the classroom.
- The school canteen is working towards meeting the NSW Healthy School Canteen Strategy.

Live Life Well @ School

This resource was developed by the Western NSW Local Health District

HOW WE LIVE LIFE WELL @ OUR SCHOOL

PHYSICAL ACTIVITY

We aim to get our students more active, more often by working towards:

- Students having dedicated time each week for physical activity.
- Students getting active in the playground during recess and lunch.
- Encouraging active travel such as walking, biking or skating.

Choral Festival Rehearsal

Both Junior and Senior choirs will be attending the rehearsal this **Wednesday 1st August** at the Musicians Club.

Both choirs will be performing in the afternoon session on **Wednesday 8th August** commencing at 1pm.

It will be great if you could watch them perform.
