Learning for all at Morgan Street

Welcome to Term 4! I hope that everyone had a relaxing break and ready for an exciting Term. I certainly enjoyed the opportunity to spend some quality time with my family. We have many exciting events ahead, including the Teddy Bears' Picnic, NAIDOC Week

Celebrations, Kinder Orientation and end of year events to name a few.

We welcome to our school some new Morgies who are commencing their learning journeys with our school this term. We wish them all the best and look forward to a wonderful partnership.

We are looking forward to meeting all of our Kinders for 2020 this term as part of the Orientation program. If you know of any students who have not enrolled yet for 2020, please have families make contact with the office.

We also look forward to having a great last term with our Year 6 students as we help them transition to high school.

Applications are currently open for placement for Year 7 in NSW Selective High Schools for 2021 (current Year 5 students), including access to the virtual online selective high school, Aurora. To find out more about the placement, assessments and process please go to: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

Have a wonderful week of learning!

Thought for the Week: "If you have the chance to make people happy, just do it. Sometimes people are struggling silently. Maybe, your act of kindness can make their day."

K-2 Teddy Bears' Picnic

K-2 students will be selling tickets for \$1 each for a chance to win this giant Teddy.

If you would like a ticket please see the K-2 office.

The winning ticket will be drawn at the Teddy Bears' Picnic on Friday 25th October 2019.

Thank you to the Moynihan family for the donation of the giant Teddy.

PROUD NEWS

Last Wednesday of Term 3, Morgan Street students had another successful Gala Day. Congratulations to our junior girls basketball team and the junior boys cricket team who both won their gala days, and to the senior girls basketball team who finished in second place. Although the senior boys cricket team did not place, they tried their best improving as the day went on.

Well done
Morgies!

Year 6 Excursion

During Week 10, 45 Year 6 students embarked on a wonderful excursion to our nation's capital city, Canberra. The students visited many exciting venues while on the trip including Parliament House, Electoral Education Centre, Australian Institute of Sport, Telstra Tower, Questacon, The Australian War Memorial, Cockington Green, National Museum and the CSIRO. Of course a highlight was a day trip to the snow where the students had fun playing in the snow. As you can see Year 6 students had fantastic time on their Canberra excursion. They were kept extremely busy and are commended on their outstanding Morgie manners and enthusiasm during all activities.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. The Australian Government contributed \$60 per student under the Parliament and Civics Education Rebate program. This rebate reduced the cost of the excursion for all the students that attended. We would like to thank the Australian Government for their support.
