Term 4 Week 4

Monday 4th November 2019

Learning for all at Morgan Street

Welcome to our fourth week of Term 4. It was lovely over the weekend to have some rain here in Broken Hill. Let's hope that it is the start of some wet days ahead and that the rain falls in the right places to support families who are doing it very tough with the drought.

This week we welcome Miss Emily Fackerell to our school. Emily will be completing a three week teaching placement with 6P. Emily is currently studying to be a teacher at Wollongong University. I am sure our school community will make Emily feel most welcome.

This week we are celebrating NAIDOC Week, students will be engaging in activities across the week focusing of the theme, Voice. Treaty. Truth. Let's Work Together. It will culminate with our NAIDOC Assembly on Friday. The school will be providing a sausage sizzle at lunchtime on Friday (no cost).

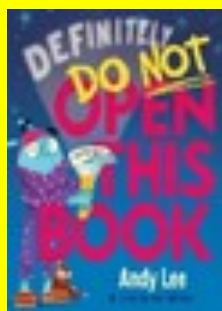

Our 2020 Kinder Orientation program commences this week with our Meet & Greet on Wednesday evening. On Thursday our new Morgies will spend some time at school in preparation for next year, engaging in some fun activities with our staff. These are all very special experiences as our little ones make the transition to 'Big School'.

We have commenced some planning for 2020 school structures. It is important to ensure that we have accurate numbers for next year. If your circumstances have changed and you will not be enrolled at Morgan Street next year can you please contact the school. This information will be treated confidentially.

Have a wonderful week of learning!

Thought for the week: "Every great dream starts with a dreamer. Always remember, you have within you, the strength, the patience and the passion to reach for the stars to change the world." Harriet Tubman

Live Life Well @

School is a whole of school approach to get students 'more active, more often' and focus on healthy eating.

HEALTHY EATING

Our school is striving towards creating a healthy eating environment by:

- Providing students with opportunity to 'Crunch n Sip' during a fruit, vegetable and water break in class.
- Teaching students about healthy eating in the classroom.
- The school canteen is working towards meeting the NSW Healthy School Canteen Strategy.

We aim to get our students more active, more often by working towards:

- Students having dedicated time each week for physical activity.
- Students getting active in the playground during recess and lunch.
