## Learning for all at Morgan Street

Welcome to another week of learning at Morgan Street PS. Last week saw a number of events showcasing our school. These included our SRC Elections, Meet and Greet Expo, Mufti Day, School Photos and our annual Swimming Carnival. A big thank you to all involved in

these events—no small task at all.

The Broken Hill trials for Barrier sports will commence this week as per the dates and times on the permission to trial forms. Please ensure students bring their signed forms to the trials.

A key focus of our personalised learning at Morgan Street is our three-way interviews. These involve active participation in the learning process for the student, the teacher and the family. We will be aiming to have these completed by the end of the term. Your child's teacher will communicate the process and organise meeting times in the coming weeks. This will provide a wonderful opportunity to continue to enhance relationships and for all to be active in the learning process.

We truly value and appreciate the support of our parent and community volunteers in our schools. To find out requirements of the Volunteers Working with Children Checks please call in and find out at the main office.

Have a wonderful week of learning!

Thought for the week: *"Sometimes you have to let go of the picture of what you thought it would be like and learn to find joy in the story you are actually living."* –

Every member of my extended family live in Broken Hill. My oldest relative is my Nanna, who will be 91 this year. The youngest in our family is my nephew, who will be 4 in May. I love my family.

# Senior Choir

We have had a fantastic response to Senior Choir this year which has been awesome. Due to the large number of interested students the priority has been given to the Year 5 and 6 boys and girls. We have tried to include as many Year 3 and 4 boys and girls as possible. All Stage Two students tried out and have been selected based on skills from the following criteria;

- Focus and concentration
- Rhythm
- Recall
- Commitment

Students will still have other opportunities to sing throughout the year and we look forward to this enthusiasm continuing over the years.
