What is The Big Veggie Crunch?

Only around 5% of NSW children eat enough vegetables. To help our community do better, our school will be taking part in The Big Veggie Crunch (part of Vegetable Week) at **10am on Thursday 4th April**.

Primary schools across NSW will be joining together to break the record for the most students crunching vegetables simultaneously. Last year 50,260 students crunched together.

What can you do to help?

Pack a container of vegetables for your child to eat on

Thursday 4th April

Keep serving up the vegetables at home and in your children's lunchboxes!

If you require more information on what activities our school is doing over Vegetable Week, please contact your child's teacher.

Term 1 Week 7

Monday 11th March 2019

Learning for all at Morgan Street

Being the principal of our school is a privilege. We have amazing staff who are student focussed and always looking for ways to enhance the learning of our students and we have very, very special students. I absolutely love the opportunity to interact, talk with and be with our students. They always take an interest in what I am doing and even laugh at my corny jokes. They instantly pick me up as a smile is never far away from their faces. I must say that our weekly assembly is a fantastic celebration and a wonderful way to end out our week of learning. 2S did an amazing job as the first class of 2019 to host an assembly.

During the assembly we drew the winners of the draw from the Meet & Greet. The six winning students were Charlie Harrison, Emmersen Lihou, Madison Stuchbery, Kayleigh Edwards, Luke Merton and Clay Darley. Each of these students won a school uniform package. We are currently gathering feedback from the school community on the Meet & Greet. To provide feedback please go to: <https://goo.gl/forms/0fkySw5ye4wSqwid2>

We have another exciting week planned at Morgan Street with our Student Leadership Induction, League Tag Gala Day and also some Barrier sporting trials occurring.

Our thoughts are with the Radford family following the recent passing of Ben Radford. We send nothing but wonderful, warm wishes. It is times like these when the strength of our school community comes to the fore and we support each other.

Have a wonderful week of learning!

Thought for the Week: *"The first problem for all of us, men and women, is not to learn, but to unlearn. We are filled with the popular wisdom of several centuries just past, and we are terrified to give it up."* — Gloria Steine

PROUD NEWS SENIOR CHOIR MONITORS

Congratulations to Chelsea Ward, Natalie Macharia, Xander Webb and Cheyenne Lugg who successfully applied for the role of Choir Monitor for the Senior Choir. These four students completed an application process outlining their reasons for wanting the job. They wrote about their love of singing and wanting to be able to help others. Mrs Gibson and the Senior Choir are lucky to have such dedicated Year 6 students to assist this year.

Dig into 1D!

In 1D we're all a little bit crazy, but Miss Dempster says it's in the best way possible. We're crazy about learning new things, we're crazy about constructing things with lego and we are 100% crazy about DINOSAURS! This is us doing our best velociraptor impersonation.

We also made these awesome dinosaur artworks to go with our science unit "Dinosaurs and more".

STAFF SPOTLIGHT

Miss Emma Shepherd

What is your role at MSPS?

The teacher of 3/4S.

How long have you worked at MSPS?

This is my third year working at Morgan Street. I also attended Morgan Street as a student from Kindy to Year 6!

What's your favourite thing about working at MSPS?

I absolutely love getting to know the kids and working with them to achieve success in the learning. The students at our school are enthusiastic, keen learners and make our school an enjoyable place to be.

What talent would you most like to have?

I would love to be able to read minds. Mostly so that I could talk to my dog and understand what she is thinking.

Tea or Coffee? - Why?

Definitely coffee! I need my morning coffee for survival. It helps me be enthusiastic and more energetic in the classroom.

What is something about you that not many people know?

I'm allergic to cats and play for West Football club!
