Term 2 Week 2

Monday 6th May, 2019

## Learning for all at Morgan Street

What a start to the Term we have had! The commemorative ANZAC Assembly on Wednesday led by Year 6 was very special and equally respectful. The week culminated in our Cross Country. Congratulations to our students for two amazing events. Events like the two mentioned just don't occur. We are very, very fortunate to have a team of staff who work diligently to ensure these events are well organised and run smoothly. Thank you for your considerable time and efforts.

We are currently revising the system we use to acknowledge the following of our P.R.O.U.D. values (5 week checklists and then the bronze, silver, gold and platinum certificates). Our P.R.O.U.D. values are still very much being implemented through explicit teaching within our classrooms. The revised system will have a trial implementation during Term Three and Four. As with any trial, it will present its challenges and unexpected outcomes. The trial will be evaluated at the end of the year for full implementation in 2020.

This week we have three students, Jobe and Cruz Lihou and Logan Ferguson representing Barrier at the NSWPSA Boys Basketball Carnival in Maitland. We wish the boys all the best and know that they will do themselves and their school proud.

This week we have some opportunities to celebrate the mothers and grandmothers in our lives. The P&C are organising a morning tea for Wednesday and a gift stall for Friday.

We have had a number of new students join our school this term. It is wonderful to welcome new students and families to our school and look forward to their involvement in our school. Not only are we welcoming students but today we have a new teacher commencing her first day, Miss Zoe Watson. Miss Watson joins our school team from Adelaide. I know that you will welcome all new members to our school community.

Have a wonderful week of learning!

# PROUD NEWS

*We are very proud of all our students. The way they conducted themselves at our school ANZAC Assembly last week was commendable. The respect our students show at this important event is a credit to them. Our Year 6 students did a wonderful job leading this assembly. The poems that were shared were sensitive and thoughtful.*

*They reflected the emotions, the commitment and the courage of our ANZACS. Lest we forget.....*
