Term 2 Week 3

Monday 13th May, 2019

Learning for all at Morgan Street

Welcome to our third week of Term 2. I hope that all mums, grandmothers, aunts and special ladies all enjoyed Mother's Day yesterday. A big thank you to the P&C for organising the morning tea and gift stalls last week. We had a very large turnout for the morning tea and the weather made for a beautiful morning. The morning tea and raffle tickets raised **\$2 379.50**.

Our Year 3 and 5 students commence the NAPLAN assessment tomorrow. This year our students will be completing the assessment online, with the exception of Year 3 writing which will remain as pencil and paper. The assessments will take place in the 3-6 Computer Lab and scheduled over a two week period. A timetable was sent home last week. This is the second year of the transition to online implementation of the NAPLAN, next year will see all NSW schools complete the assessment online. The assessment only captures part of the full curriculum and is one assessment completed on one day. The students participated in practice sessions last term so are familiar with the format and processes of the online testing. We hope the children get a good night's sleep and have a good breakfast each morning. These are good habits to have for every day.

We wish all our Morgies taking part in the upcoming Broken Hill Cross Country on Friday at the Memorial Oval all the best.

Have a wonderful week of learning!

Thought for the week: *"When I started counting my blessings, my whole life turned around."* – **Willie Nelson**

Year 6 students were excited when their souvenir t-shirts arrived last week. We think they look great.

CLASSROOM

TADPOLES

TERM 1

During term one we were lucky to have tadpoles given to our class to study. Our class googled and found out what the tadpoles eat and how they were going to change. The whole class (plus other interested students) eagerly watched our tadpoles change into frogs. Thank you to Nate's Nanna for giving us the tadpoles and allowing us to enjoy learning about this life cycle. We have enjoyed it so much! ☺

STAFF SPOTLIGHT

Ms Jessica Wagner

What is your role at MSPS?

This year at MSPS you will find me in Stage 2, teaching 4W. I am also assisting Mrs Gibson with the Senior Choir and supporting some PSSA teams.

How long have you worked at MSPS?

This is my second year at MSPS and my fourth year living and teaching in Broken Hill.

What's your favourite thing about working at MSPS?

I love working at MSPS because of all the amazing students and teachers I get to teach and learn with every day.

What talent would you most like to have?

It's not a talent as such but I would like to be able to fly so that I could quickly and easily visit my family and friends in Newcastle.

Tea or Coffee? - Why?

Both! Coffee in the morning (caramel latte please) and hot or iced tea in the afternoon.

What would you do (for a career) if you weren't doing this?

I would be either:

- a florist because I like pretty things
- a travel agent because I love exploring new places
