Term 2 Week 10

Monday 1st July, 2019

## Learning for all at Morgan Street

Welcome to the final week of Term Two as we come up to the half way mark of the school year. It certainly provides us with the opportunity to reflect on what has been achieved thus far for the year and to also look forward to the opportunities that are ahead for us this year. I wish everyone a happy and safe holiday period. I will be on leave for this week, I need to go to Adelaide for an operation on my eyes. I do look forward to returning next term and being able to see even more clearly the wonderful achievements of our students, staff and community.

The Semester One reports were scheduled to go home this week but due to an issue with the template set up and me not being here to sign them they will now go home on the first day back next Term. I take full responsibility for this and absolutely apologise for any inconvenience caused.

This is the last week at Morgan Street for Jess Wagner. Jess has been a valued member of our staff since the beginning of 2018. We are going to dearly miss her and we wish her only the best for her move to Newcastle. On a staffing note we welcome two new staff members to our Morgan Street team next Term. Tailor Byrne will be teaching 3M during Mel Moldenhauer's leave and Demi Tiziani will be teaching some release and providing some in class support.

Have a wonderful week of learning!

**Thought for the week:** "Happiness is the new rich. Inner peace is the new success. Health is the new wealth. Kindness is the new cool." **Syed Balkhi**

# 2K (also known as 2Kind)

This term in 2K we have been learning about water. We conducted experiments, made amazing artworks, wrote a class book of poems, became 'water detectives' at home, read lots of fantastic stories about water, interviewed some people who use water in their job and had lots of fun! Each afternoon this week in class, we are making a diorama based around our learning. Maybe we should be known as '2Keen' and '2Kind'!
