Term 3 Week 4

Monday, 12th August, 2019

Learning for all at Morgan Street

Last week was a fantastic celebration of Education Week. It provided a wonderful opportunity for our students to showcase their learning and skills whether it be through the Spelling Bee, Choral Festival, Dance-a-thon, letters to a significant adult, assembly or the Broken Hill Athletics Carnival. We now move from Education Week into National Science Week in which our students will be experimenting and further developing their sense of wonder and enquiry.

As previously mentioned this term we are trialling a revised P.R.O.U.D. recognition system. To support parent understanding of the system we will be holding a Parent Information Session on Tuesday 20th August at 5pm in the library.

Just a reminder to families at drop off and pick up times to ensure that you are following the road and parking rules. Police have been present regularly since the start of this term. At the end of the day it is about ensuring that everyone is safe.

We are now taking enrolments for Kindergarten 2020. Enrolment forms and information can be obtained from the office. If you are unsure of school zones for your child, please contact the office and we will assist you. Your child must be turning 5 before 31st July, 2020 for enrolment in 2020. Kindergarten orientation programs will start early in Term 4.

Have a wonderful week of learning!

Thought for the week: *"From the sadness, learn something; from the happiness, learn something. From the setback, learn something and even from the success learn something. Never stop learning from any situation in life, for that is where the wisdom lies."* – Gift Gugu Mona
