Learning for all at Morgan Street

Welcome to the 2020 school year and to an amazing year ahead at Morgan Street Public School. I hope that everyone had a relaxing break, enjoyed some family time and are ready for the year that lies ahead.

The start of the school year is always an exciting yet nervous time for students, staff and families. As a class teacher it was always one of my favourite times as you were connecting with students and families sometimes for the first time with the aim of building quality relationships to support learning.

We have welcomed a couple of new students starting today, our new kinders commence for their first day next Monday as PROUD Morgies at 'big school'. Your first day at school is something that you never forget!

We welcome a number of new staff to our school this year, Miss Zita Druce (2D), Miss Helen Beedles (4B), Miss Stephanie Alchin (5A), Miss Madyson James (5/6J) and Miss Daisy Tyrrell (Rural Area Relief). I know that everyone will welcome our new staff and make them feel part of our community. Mrs Wangmann is on leave for the first two terms and she intends on returning in Term three.

We will make every effort to keep our school community informed via our newsletter, Facebook site, website and School Stream App. Please do not hesitate to ask your child's teacher any questions.

I was delighted to have a special guest visit our school this morning, Georgina Stevens from 'Helping Children to Become Equal at School in Broken Hill'. Georgina and her band of volunteers have kindly put together some back to school packs to support children. It is a wonderful example of kindness, gratitude and giving without expecting anything in return. Thank you Georgina, we will ensure these packs meet student needs.

Finally, I would like to again extend a warm welcome back to everyone at Morgan Street for 2020 and look forward to not just working with your children but your entire family. Bring on the year ahead! #PROUDMorgie2020.
