## Term 2 Week 5

Monday 22nd May, 2023

Welcome to Week 5, the midpoint of Term 2.

Well done to 1A for hosting a wonderful assembly on Friday afternoon. It is no easy task at all talking in front of over 300 students, staff and families.

Thank you for your continued support in helping to keep our students, staff and community safe while COVID-19 is still circulating in the community. With winter approaching, we will also see an increase in respiratory illnesses and by working together we will keep our school community healthy. We are continuing our COVID-smart measures to help minimise the risk of transmission. These include staying home if unwell and testing for COVID-19 if showing any symptoms. Please continue to notify our school if your child tests positive to COVID-19.

Last Monday evening saw the Annual General Meeting held for our P&C committee. It was wonderful to see a great turn out. All positions were filled and plans discussed for upcoming events and possible fundraisers. The newly elected executive is:

**President:** Bridget Burke **Vice President:** Simone Lake **Treasurer:** Elle Pearson  
**Assistant Treasurer:** Jill Remmert **Secretary:** Kate Nightingale **Assistant Secretary:** Rebecca Black. A big thank you to our outgoing committee members for all of your hard work and dedication to our committee and school.

I will be out of the school from Tuesday this week in Sydney attending a Rural South & West Principals Conference. It is the Operational Directorate that we belong to and the first time that all principals within the area have been brought together.

We wish our Morgies all the best for the Barrier Cross Country on Thursday in Buronga. A big thank you to Max Mychael for running training sessions before school to support our runners!

Have a wonderful week of learning!

**Thought for the Week:** "The only person you should try to be better than, is the person you were yesterday."

Scott Sanford

Principal

## NSWPSSA AUSTRALIAN FOOTBALL CARNIVAL

Congratulations to Nate Milne, Levi Zanette and Jaxson Lingard for their participation in the carnival held in Bateman's Bay last week. They were part of the Barrier Team, managed by Mr Ben Moffatt. Unfortunately the team did not win any of their games but as always, our Barrier Team put in a magnificent effort whenever they took to the field.

Week 3 - 3/4K 5M 5S 6H

Week 4 - KB KD 6MJ

## THE RESILIENCE PROJECT™

Throughout 2023, we will be working closely with The Resilience Project to support the wellbeing of our school community. [The Resilience Project](#) delivers emotionally engaging programs and provides evidence-based, practical strategies to build resilience.

Our Partnership Program consists of online presentations and weekly lessons for students, professional development for staff, and Parent & Carer Hub (inc. digital presentations) for our parent and carer community.

Over the coming weeks, we'll be sharing the Parent & Carer Hub with you. The videos are 5-10 minutes long and will walk through the key pillars of resilience: **Gratitude**, **Empathy** & **Mindfulness**. You'll hear stories and be introduced to activities to show how these strategies can support our kids' learning and development, and also support you as parents and carers.

This program is an important part of our school's effort to look after the mental health of our community.

**View the first presentation of the series here:**

Part 1: Meet Hugh and learn about The Resilience Project - <https://theresilienceproject.com.au/2023-parent-carer-hub-inspire-hugh/>

In this presentation, Hugh shares a personal experience about his sister's battles with Mental Illness.

**Note:** This video contains a story about an Eating Disorder that may be triggering. Please consider this before watching. For mental health resources and support information, visit [The Resilience Project's Support Page](#).

# 2F SUPER ANIMAL ADVENTURES

Over the last few weeks, 2F have written and published narratives based on the book Peggy by Anna Walker. Students were tasked to create their own Super Animal Adventure using the circular narrative structure. 2F have done a fantastic job at creating their own super characters!

## NOTES SENT HOME RECENTLY

If you did not receive any notes relevant to your child, please see the office staff.

NOTE	WHO?	ACTION
Lake Burrendong Excursion	Year 5	Return form and deposit by Friday 2nd June 2023
P&C Pie Drive	Eldest	Forms to be returned to school by Friday 26th May 2023

Kindergarten has been learning about living things in our school garden with Paul our groundsman. We explored the garden, harvested carrot seeds and even tried planting! We can't wait to watch our carrots grow!

1A learnt all about living things in science last term.

We looked at how to grow and preserve food in our homes so we can eat delicious food always.

1A helped Paul to find new strawberry roots and replant them.

We can't wait to see them grow and pick some fresh strawberries for our munch and crunch!
