Term 1 Week 11

Monday 8th April, 2024

Welcome to Week 11, the final week of the term. I want to start by saying thank you, to you and our school community for supporting and backing us during Term 1.

It has certainly been a bit different having 500 students on our site! While we will not have Willyama HS with us next term we thank the students, staff and community for the respect that they have shown us this term. We wish them only the best as they move into their pop up school at Broken Hill High School for the beginning of Term 2. We won't be rushing to have all our classes back in their original rooms for the commencement of Term 2. We moved into our current set up in a quick manner and we will move back through a planned and staged approach. Students will commence in their current classrooms and the movement will be one class at a time over the first couple of weeks. Our Year 3/4 students are now using the 3-6 playground for lunch. The current times for breaks will remain for the commencement of Term 2 while we complete a review and gather feedback from students, staff and families next term.

Consultation sessions via focus groups to gather feedback on aspirations for secondary education provision in Broken Hill have commenced and will be held at Morgan Street PS on Wednesday of this week. Further opportunities will be available next term. The link to book is here: <https://forms.gle/CtB8cWb9EzgKMd3y6> Our SRC will have the opportunity to be part of the consultation process on Wednesday.

I am looking forward to our Slime Splatacular on Friday – a wonderful way to end our term for our students and staff. Students will also have the chance to slime me which I am sure many will be looking forward to!

I wish all of our school community a happy and safe holiday period. School resumes for students on Tuesday 30th April.

Have a wonderful week of learning!

Thought for the week: "Teamwork begins by building trust, and the only way to do that is to overcome our need for invulnerability".

Aurora College

Online opportunity classes for rural and remote students

Applications for Year 5 opportunity class placement in 2025 open on Thursday 4th April and close 20th May 2024. Parents and carers need to apply for Year 5 opportunity class placement while their child is in Year 4. Aurora College provides an online Opportunity Class provision for rural and remote students. For more information on the application process go to: <https://education.nsw.gov.au/schooling/parents-and-carers/choosing-a-school-setting/selective-high-schools/choosing-a-school/opportunity-classes>

Opportunity class

If your child is in Year 4, apply now for entry in 2025.

Applications close 20 May 2024.

2KL Keep Learning, Keep Laughing

We have had a fantastic start to the year in 2KL! We have been setting up our routines and expectations. Take a look at what we have been doing!

We line up outside. We wait until the door is opened and say thank you. We go into the classroom and have our 6Ls.
Piper Morris

When we sit, we sit with 6Ls and listen to our teacher. We pay attention to the person that is the speaker.
Sam Savage

We are ready to learn when we have 'just right' energy and emotions.
Kaiden Weathersbee

In the reading corner we read the words properly, do real reading and put the books back where they belong.
George Heidenreich

Sam or Charlie open the door in the morning. We say thank you. We walk inside the classroom.
Ashlee Trennery
