Term 3 Week 10

Monday 24th September 2018

From the Principal's Desk

Welcome to Week 10! By the time that you are reading this I will be in Canberra for the Year 6 excursion. Currently as I type we are travelling towards Wagga. Last night forty-six students plus Miss Porter and myself boarded the bus for a week of fun, learning and adventure. Everyone is travelling well and the boys and girls enjoyed varying amounts of sleep last night. One thing is for sure, we will have a fantastic trip and our students will be wonderful ambassadors for themselves, their families and their school.

As mentioned in a previous newsletter we were to present the revised Student Leadership guidelines at the P&C Meeting last week but it was postponed. We will hold a meeting to outline the changes on Wednesday of the first week back next term for interested members of our school community before our current Year 5 students are briefed. The revised guidelines take into account the feedback gained through the consultation process. We believe that we will have a rigorous and fair process. The guidelines will be made available following the meeting next term for those unable to attend.

Last Tuesday I held my first Principal's Pizza lunch with eight very deserving students who came out in the draw. This will continue next term and we will aim to have two. The eight students used amazing manners and were very grateful.

The end of the term is upon us and our students have handled all the different events held during this term with ease. We would like to wish everyone a happy and relaxing break.

Have a wonderful week of learning!

Thought for the week: "If there is any great secret of success in life, it lies in the ability to put yourself in the other person's place and to see things from his point of view – as well as your own." ~ Henry Ford

Book Week

Our Book Week Assembly, based on the Children's Book Council of Australia Book Week theme of "Find Your Treasure", began with a **parrrrhade** of students disguised as their favourite book characters.

The Library Pirates spent their lunchtimes over several weeks and one afternoon of class time rehearsing their play. They **arrrrh** a very dedicated bunch and also took on the challenge of talking like a pirate to run our assembly.

The Orchestra began rehearsing for this assembly as soon as the Eisteddfod had finished so that they had the piece, 'What Shall We Do With The Noisy Parrot?' ready to perform as part of the play. They also took up the challenge of playing in the audience, supported well by the Senior Choir. The groups had only one rehearsal together in the hall and their combined efforts were very much **arrrh**preciated.

The Junior Choir also prepared a song 'A Pirate Went To Sea', especially for the assembly and they all sang their little hearts out to avoid being made to walk the plank with Captain Gangplank Gibson. Captain Muir the Mutineer led the 6M crew through a resounding choral performance of Roald **Darrrrh!**'s 'Little Red Riding Hood'.

The pirate treasure chest raffle for positive behaviour and learning in library classes was drawn by Captain Keenan and Captain Winders, and ten lucky landlubbers scored a puzzle to solve. Books from all classes in the school were made in Library classes and displayed so that parents and classmates could check out the good reasons why these students **arrrrh** WANTED. Students from all classes were also **arrrh**cknowledged for their efforts in Reading.

The assembly was followed by a buddy reading on the oval and many parents and other family members stayed to enjoy a picnic lunch on the oval together. **Arrrrh** be! The whole school effort did our **harrrrh**ts PROUD.
