Term 3 Week 7

Monday 3rd September 2018

From the Principal's Desk

It was an absolute delight last Tuesday to be involved in the annual P&C Father's Day Family Breakfast. These occasions provide a wonderful opportunity for our amazing community to come together. A big thank you to P&C members, volunteers and staff who all gave up their time for this event. I remember having a conversation with Mr Dougherty a few years ago and I remember him saying that the Breakfast was one of his special days on the school calendar. I can certainly see why he felt that way.

This term staff are trialling some new strategies in the classroom linked to a Superhero called Rezilia. Rezilia has some special learning habits that will support learning. It is linked to our work on Growth Mindset in HOW2Learn. Staff have also identified some strategies from Berry Street to trial. These could include circle time, brain breaks and new ways to check in on students' readiness to learn. Why not ask your child what is new and how it could be supporting their learning?

Dental screenings will commence on Tuesday and run until Thursday. They will be conducted by a dentist from the Far West Local Health District in the Health Hub. We are very fortunate to have this service come to our school. Only students who have returned their notes will be able to attend. Please contact the school for a note.

Do you have a child starting Kindergarten next year? Do you know someone who has a child ready to start Kindergarten next year and lives in our zone? Not sure? Please do not hesitate to contact our office to make any enquiries.

Have a wonderful week of learning!

Thought for the week: *"It does not matter how slowly you go as long as you do not stop."* ~ Confucius

Fruit & Veg Month 2018

Our school has registered for Fruit & Veg Month 2018. The theme for this year is 'Happy Fruit & Veg'tember!'

Fruit & Veg Month 2018 runs for the last 4 weeks of Term 3, Monday 3rd to Friday 28th September.

As part of Fruit & Veg Month, students will be involved in various classroom and school based activities which encourage them to eat more fruit and vegetables.

PROUD NEWS

The Father's Day Family Brekky was very popular last Tuesday with many families coming along to enjoy the breakfast. It was great to see so many students and staff willing to assist with the cooking and distributing of the food and all the happy smiling faces of parents, grandparents, aunts, uncles and friends.

Mindfulness in 5G!

In 5G we care for ourselves and others with mindfulness. In our morning circle, we welcome each other and start the day with a smile.

Have fun finding the words that we're using a lot in our classroom.
