Learning for all at Morgan Street

The 2018 school year is drawing to a close and it is at this time that I would like to sincerely thank all members of our Morgan Street Public School community for your time, dedication and ongoing support of our school. This school year, like each before it, has presented its challenges but more so has provided us with many, many special moments that will become wonderful lifetime memories.

No matter where you may be this Christmas time, here's hoping that you are surrounded by family and friends. It is a special time to take stock and really treasure and enjoy the special moments because before you know it we will be starting 2019! Once again thank you for your ongoing support and opportunity to work with your amazing children. We can't wait to continue to thrive in 2019!
