Term 4 Week 3

Monday 29th October 2018

Learning for all at Morgan Street

It was a wonderful week at Morgan Street during Week Two as we celebrated NAIDOC Week. We deliberately moved our celebration of NAIDOC Week to later in the year to ensure that we gave the week the full respect that it deserves.

This week sees our Kinder Orientation and Year 6 to 7 transition fully commence. It is an exciting time for both groups, no doubt also a little daunting as it means change and quite a few unknowns. As a school we need to ensure that we fully support this. Successful transitions will ensure smooth starts.

We are well underway with our plans for next year. To enable us to plan with as much certainty as we can, can you please let the school know if your students will not be returning to Morgan Street PS next year. We will treat all discussions confidentially.

Have a wonderful week of learning!

Thought for the week: *"The principle goal of education in schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done." ~ Jean Piaget*

Ulysses Toy Run

If families would like to donate to the Ulysses Toy Run, new toys/games can be left at the 3-6 and K-2 office. Toys will be picked up on Friday 30th November 2018 at 10.15am.

Thank you

PROUD NEWS

On Friday at the NAIDOC Assembly we unveiled our entry for the NAIDOC Banner Competition which was designed and painted by 6M. The banner was displayed at the community NAIDOC celebrations which was held at Sturt Park during the school holidays. Although we do not think we won the competition, we think it looks pretty amazing.

More from our own NAIDOC Week celebrations

What's happening in 4W?

LETTERS — In Term 3, 4W wrote letters of support to Ms Wagner's brother, Guy, and his platoon who are in the Australian Army and currently serving in Afghanistan. Guy sent us this photograph when they received their letters. They

hope to write back to us soon but we understand they are very busy.

PAPER RECYCLING — Earlier in the year, 4W introduced paper recycling to MSPS. So far, you have all helped us fill the big bin three times! We think the system is working well but we would love to hear from you. Please write down any feedback you have and pass it on to us.

You might notice this logo around the school. It was designed by Kate Stacey to help remind people to recycle.

DROUGHT FUNDRAISER — In Term 4, 4W are completing 'Genius Hour' projects where everyone gets to choose their own topic to learn about. As part of Maddie's project, she has decided to hold a cake sale in Week 4 to raise money for the farmers affected by the drought. 4W are going to give her a hand but please let her know if you would like to help support this important cause. Stay tuned for further information!

NOTES SENT HOME RECENTLY

If you did not receive any notes relevant to your child, please see the office staff.
