Term 4 Week 7

Monday 26th November 2018

Learning for all at Morgan Street

Welcome to Week Seven. It is hard to believe that we only have four weeks to go until the end of the school year. The events planned for the remainder of the year will provide an opportunity for us to celebrate our year and focus on what matters most.....our amazing students.

Tonight will see the final P&C Meeting held for the year. As is traditional, the final meeting is held off site and tonight's meeting will be held at the Sturt Club commencing at 7pm, all welcome!

It has been reported to us that at times some of our students are not following the road rules when riding to school or when riding home. This has included riding on the wrong side of the road into oncoming traffic. All students who ride bikes to school were reminded of traffic rules last week. If you could also reinforce the following of road rules and also highlight any specific points on your child's route, would be much appreciated. At the end of the day it is about ensuring that our students know and understand the road rules and are safe.

On Saturday 1st December our school will be participating in the Broken Hill Christmas Pageant. Please return permission notes so we know how many students will be participating. Further information will be sent home in relation to where we will meet.

Have a wonderful week of learning!

Thought for the week: "Real integrity is doing the right thing, knowing that nobody is going to know whether you did it or not."

PROUD NEWS

On Friday Isobelle Gogler, Kaydence Beavan-Kemp, Emmy Daniels and Ava Devoy were presented with certificates to acknowledge their amazing entries in this year's Operation Art Competition.

As they were not selected for Westmead Children's Hospital, the girls' artworks will adorn the walls of some of our staffrooms and offices.

Terrific effort girls. You are all very talented.

KH

We have had such a busy and fun-filled year in KH, we can't believe it's almost coming to an end! We have all had such a great time learning and making new friends. This term has already been so busy and we've learnt lots of new and interesting things.

We have been going into the Computer Lab on Monday afternoons to learn how to log on to our computers and we've even had a go at typing and adding pictures in!

Mondays are always filled with exciting things as we also go to Bust a Move in the mornings with Shereen. We have been dancing, skipping, playing games and keeping fit. And our most important rule? HAVE FUN!

This term we were also lucky enough to meet Lead Ted and worked with him to help keep away Dusty, the nasty dust mite! We think we did pretty well and loved getting to hug Lead Ted and help him out.

We love making new friends in KH and last week we were lucky enough to have some students from 3M come and visit us. They spent some time reading their favourite stories to us. We looked at joke books and books about animals and monsters!

Thanks for coming to visit 3M!

MORGIE MAG ORDER

Once again the Year 5/6 Technology Group has been working hard to produce a quality school magazine which has captured all the great things that have happened at our school throughout the year. This is the 11th edition of the Morgie Mag. Every class is featured in the magazine, along with samples of students' artwork. There are also articles and photos from all of our year's events

The magazine is produced in colour and will **cost \$8**. The order form needs to be completed and returned to your child's **class teacher**, along with the money by **Monday 3rd December**.

Student's Name: _____ Class: _____

No. of copies: _____ I enclose \$ _____ or I have paid online ☐

Please return this form to your child's class teacher.

Would you Like To Join The Y's Men's Club?

Did you know that the Broken Hill Y's Men's Club has served the Broken Hill Community for over 35 years. Each year we provide not only financial assistance to our community but offer educational grants, and sponsor awards for local Primary school. Thousands over the years have enjoyed our Classic Merry go round and great fairy floss and in order to continue this valuable service we are looking for new members. If you think, you would like to see what we do and join us for a meal we meet at the Silver City Working Man's club in Argent St Every Monday at 6:30 for 7:00.
