Term 4 Week 8

Monday 3rd December 2018

Learning for all at Morgan Street

Welcome to Week Eight. It was absolutely wonderful to have over 60 of our students on our float as part of the Broken Hill Christmas Pageant. There were also many other Morgies involved with other floats – a true showing of community spirit. The organisers of the pageant would have been pleased. Our float would not have been possible without Tolbra Earthmovers and Haulage generously allowing us to use their truck and the time dedicated to the float planning, set up and packing away by dedicated members of our staff – thank you! Planning for 2019 has already started!

Our school has a strong tradition of offering students the opportunity to lead and thrive. This was clearly evident at the school last week when our Year 5 students (who had progressed through the process) presented their speeches hoping to gain selection in the 2019 Captain and Vice Captain positions. What an incredible group of students who showed they not only have the qualities to fulfil the role of school leader but presented themselves in an outstanding fashion with excellent voice projection and clear explanation on how they will work in the role as a school leader.

Police have been monitoring the areas around our school during morning drop off and afternoon pick up. Please make sure that you are following the law in relation to parking and signage expectations, even if it is only for a short period of time. There is a large parking area at the 3-6 end of the school that can be accessed via Union Street. If you encounter any concerns during drop off or pick up then please do not hesitate to contact the Police.

As mentioned last week, planning is well underway towards developing our structures for 2019 and this will include composite / multi-age classes. We will have thirteen classes down from the current fourteen. Please find a link below that provides some information on multi-age classes.

There are lots of exciting things to occur prior to the end of the year. Please do not hesitate to contact your teacher or the school if you are unsure of an upcoming event. We will do the best we can to keep everyone informed. Have a wonderful week of learning!

YEAR 6 ASIA DAY

Our Year 6 students enjoyed their Asia Day last Friday. Which was a culmination of their geography unit. The students painted Chinese fans, learnt some karate, did some origami, flew home made kites and enjoyed an amazing Asian feast.

Thank you to everyone who supported our Book Fair last Tuesday. The total raised in book commission for the Library was \$1200. Pictured is a selection of books we purchased and we still have over \$700 in book credit to spend on books for our Library.

Local Fire Fighters Visit Year 5

In the Library last Wednesday, as part of their integrated Geography/Library unit on bushfires, Year 5 had a visit from NSW Fire and Rescue to learn about fire safety and how to create a fire safety plan for their own home.

The students asked loads of questions and were very interested in the equipment used by fire fighters and learning more about the role of a fire fighter. The session concluded dramatically as the crew were called to attend a real emergency.
